后记

筚路蓝缕，前赴后继。六十多年来，几代齐大人用勇气、信念和热情，执着地恪守并追求着一个共同的梦想——美丽的齐大强校之梦。

六十年的积淀，当代齐大人承继着厚重的历史财富，面临着史无前例的发展机遇和更加深刻的责任与挑战。

作为向我校第一次党代会献礼的作品之一，《美丽齐大》透过细腻的光影作品，在生动地折射出当今齐大之美的同时，更曾在缅怀创业之艰难，展示非凡之成就，激励奋进之精神。

《美丽齐大》聚焦个性鲜明的四季风景，聚焦美轮美奂的湖滨之夜，聚焦人文气息浓郁的场馆建筑，聚焦我们身边可敬可爱的老师和同学，聚焦我们花一样的青春和年华，聚焦我们的曾经和记忆……

《美丽齐大》画册共包含两个部分，分别是“透过镜头看校园景色”和“透过镜头看校园人物”。本期献给大家的是《美丽齐大》之——“透过镜头看校园景色”。

在此，我们诚挚而隆重地感谢提供摄影作品的师生们。他们是李海红、马振庆、孟宪国、樊友才、韩诚、孙家良、冯唤雷、张成、陈振东、徐宇峰、韩天宇、陈锋、贺健泽等。是你们用细腻独到的眼光，用期由心裁的视角，将我们身边的动人瞬间永恒定格，将齐大之美广为传播。

作为当代齐大人，我们对美丽的齐大深情咏叹，我们对美丽的校园永恒眷恋。我们深信，有了生态文明之美、人文气象之美、师生人格之美，美丽的齐大强校之梦一定会愈加精彩，齐大的明天一定会更加绚烂辉煌！

Postscript

We have endured great hardships in pioneer work and advanced wave upon wave. For over sixty years, generations of Qiqihar University people, with courage,belief,and passion, have been tenaciously observing and pursuing a common dream -- the dream of strengthening beautiful Qiqihar University.

With sixty years' accretion, contemporary staff of Qiqihar University not only inherit the massive and valuable historical wealth but also face unprecedented development opportunity and more formidable responsibility and challenge.

As one of the representative works to pay tribute to the First Party Congress of Qiqihar University, Beautiful Qiqihar University, with its delicate photographic works, not only vividly reflects the beauty of Qiqihar University, but also reminisces about the hardships of embarking on a new career, presents the remarkable achievements, and inspires the spirit of progressing.

Four distinctive seasons, stunning nights around the lake, architectures with a rich cultural ambience, respectable teachers and enchanting students, youth like flowers and past memories—all are the focal points of Beautiful Qiqihar University.

The album, Beautiful Qiqihar University, includes two parts: "seeing the campus scenery through a lens" and "seeing campus personalities through a lens". The current issue is to present the first part: seeing the campus scenery through a lens.

Here we sincerely extend our thanks to teachers as well as students who provide these photographic works. They are Li Haibang, Ma Zhengqing, Meng Xianguo, Fan Youcai, Han Cheng, Sun Jialiang, Feng Huanlei, Zhang Cheng, Chen Zhendong, Xu Yufeng, Han Tianyu, Chen Feng, He Jianze and other. It is you that eternalize the teaching moments and publicize the beauty of Qiqihar University with delicate,lancy, and original vision and perspective.

As a member of Qiqihar University, we sing of its beauty and express our permanent attachment to it. We are absolutely confident that with these three kinds of beauty—the beauty of ecological civilization, the beauty of humanite environment, and the beauty of teachers and students' personalities, the dream of strengthening beautiful Qiqihar University will be more exciting, and Qiqihar University' s tomorrow will be more splendid.
